NOTICE

LIMITATION OF LIABILITY ON PRESSBOARD, PARTICLE BOARD AND/OR ENGINEERED WOOD FURNITURE

Furniture manufactured from press-board, particleboard, and/or engineered wood is designed to be moved into a box from the manufacturer to the retailer and then to the end user unassembled. It is not constructed to withstand the normal stress of a move as an assemble unit. Most is not designed with the extra wood structural pieces to adequately brace the unit for movement out of or into a residence, nor the normal truck vibration even in air-ride trailers. Usually chips and dents are not repairable. Surface Impressions can be made on the furniture when writing on a single piece of paper. Assembly instructions frequently suggest that the connecting hardware pieces be glued in place. This does not significantly improve the structural integrity of the pieces, but does make disassembly impossible without creating substantial, un-repairable damage.

- **Option 1-** I/we choose to disassemble all press-board, particleboard and/or engineered wood furniture prior to the move. I/we assume all responsibility for damage to the press-board, particleboard and/or engineered wood furniture, which may occur during the disassembly of the furniture.
- **Option 2-** I/we have engaged the services of another individual or company to disassemble all press-board, particleboard and/or engineered wood furniture prior to the move. I/we assume all responsibility for damage, which may occur to the press-board, particleboard and/or engineered wood furniture during the disassembly of the unit(s).
- **Option 3-** I/we am/are tendering furniture constructed of press-board, particleboard and/or engineered wood furniture fully assembled as part of our move. I/ we understand that any claims for damages to the press-board, particleboard and/or engineered wood furniture may

be denied due to inherent vice, based upon the fact that fully assembled press-board, particleboard and/or engineered wood furniture is inherently susceptible to damage as outlined above.
